

Bach Flower Remedy Course

Plant Spirit Medicine

With Joanne Marks ~ Bach Flower Registered Practitioner

Learn the art, science and application of the 38 Bach Flower Essences developed by Dr. Edward Bach

Flower Essences are safe, subtle and profound in nature. They gently and consistently bring us into balance; aligning us with our inner virtues in times of uncertainty, illness, stress, life transitions and self development.

Flower Essences enable us to shift away from emotional chronic patterns and limitations to live healthier, authentic lives.

Come experience how Flower Remedies work; how to use them for yourself, children and animals.
